### **WHO ARE WE?**

Welcome to Aqua Omega Services Pvt. Ltd.

“ M/s. Aqua Omega Services Pvt. Ltd., was incorporated in Chennai on 6th May 2002 and started its services from 21st December 2004.

Our Directors found potential business opportunity in providing diving personnel to various contractors in Middle East and with the available resources and experience they signed a contract with M/s Khalifa Al Gosaibi Diving & Marine Services Company, Bahrain in October 2002. The contract which is renewed every year is for supply of Air Divers and Technicians.

We also have an ongoing contract with M/s Cairn Energy India Pty. Ltd. since January 2005 for diving equipment and personnel for maintenance, repair and inspection for their Oil Production Ravva Field on the East Coast of India.

The company has been providing services towards Platform Maintenance, Underwater Inspection for DNV Certification, Modification of Platforms including Clamp-on, Pipeline Tie Inns, Pipeline Spool Piece Removal & Installation, Platform Boat Landing Repairs, Conductor Protector Installation, Fender Replacement, Retrofitting of Anodes on existing Pipelines, CALM Buoy Maintenance, Pile Chain Replacement, Sub-sea Hose Replacement, PLEM Inspection and Maintenance, Installation of Retrofit Anodes for Pile Chain Protection and also Weekly, Monthly, Quarterly, Six Monthly, Annually and Five Yearly maintenance programme for ABS Survey, Production Support Duties, Fire Fighting Standby, Anchor Handling Duties, Well Stimulation and Assistance for Coil Tubing.

The policy of AOS is to always meet the requirements and expectations of the customer as well as statutory and regulatory authorities, through the development and maintenance of Quality Management Systems in conformance with ISO 9001:2008, and to continuously improve the effectiveness of the same.”

## **OUR VISION - MISSION**

### **AOS Vision**

“Aqua Omega Services will be a global provider of integrated services to the oil and gas industry, with a diversified portfolio for undertaking turnkey projects involving Underwater, Marine and Offshore Construction. We will harness our knowledge and energy to ensure world class quality, safety and environmental protection standards. We will constantly upgrade procedures, skills, systems and technology to create greater value for our clients, suppliers and employees.”

### **AOS Vision - 2015**

- Execution excellence in increasingly challenging projects.
- Focus on deepwater, as it is the foundation for future growth.
- The fleet that made us proud in shallow water is now being updated to win in deepwater.
- We have a seamless team and individual accountability.

### **AOS Mission**

“Our mission is to create and deliver a safe, efficient integrated offshore subsea operation with absolute commitment to the Cause No Harm (CNH) philosophy thereby ensuring zero incidents on all our worksites; guaranteeing full accountability to our clients for every project execution.”
